

Scout 741 Parts

BOOKS	
Repair & Overhaul Manual	
Parts Catalog	
Indian Riders Instruction Manual, all models	
ENGINE	
Original Parts, used in stock - Crankcases, cylinders, flywheels, conrods, primary cases, gearboxes, clutch sprockets	
Pistons, complete with rings and pins: Std, 010, 020, 030, 040, 050, 060, set	
Pistons, 68 mm (2,677") bore, more power, set	
Pistons, 68.25 mm (2,687") bore, more power, set	
Pistons, 68.50 mm (2,697") bore, more power, set	
Pinion gear, straight or tapered hole	
Camshaft bushing, in crankcase, 27B20	
Cam bushing, front in timing cover, 38106	
Cam bushing, rear in timing cover, 40474, NOS, oversize	
Gear, oil pump drive, No. 101029	
Gear, distributor drive, No. 101030	
Conrods, original, used, set	
Valves, original size	
Valves, bigger diameter	
Valve guides	
Valve springs	
Valve keepers, pair	
Valve covers, chromed, set for 1 engine	
Rollers for cam followers, each	
Rivets for cam follower rollers, each	
Shafts for cam followers, std. or oversize, each	
Pushrods, original, used	
Pushrods, new, standard oversize	
Pushrod Screw and Nut	
Oil pump gears, return pump, '38-'47, 41370/41371, set of 2	
Disc, sump valve, important function, 41530	
Oil line nipple, straight, oil pump right side, No. 41819	
Oil line elbows at oil pump, various	
Oil line elbows with tube, in tank, various	
Drain plug for oil tank	
Oil drain cock	
Oilfilter in tank	
Oil lines, set of 2	
Oil line nuts, 2 sizes	
Oil line nipples, 2 sizes	
Oilline to sumpvalve	
Breather line, tank to generator chain guard	

Breather line, oil pump to rear chain	
Plug screw, oil control + drain, with magnet	
Plug Screw, oil control + drain	
Plug, timing hole + primary chain case, No. 40839	
Engine Plates, front, Sport Scout + Scout 741, set	
Engine Plates, rear, zinc plated	

FLYWHEEL PARTS	
Crankpin	
Drive shaft	
Pinion shaft	
Pinion gear	
Thrust washers, various types and thicknesses, please specify	
Race set for conrods, std. or oversize, NOS	
Roller cage, crankpin + drive shaft, NOS	
Roller cage, pinion shaft (smaller)	
Pinion housing, std. or oversize	
Rollers: 6,33 mm (0,2490") - 6.34 mm (0,2495") - 6,35 mm (0,2500") - 6,36 mm (0,2505") - 6,37 mm (0,2510") - 6,38 mm (0,2515") - 6,39 mm (0,2520"). Specify	
Drive housing, std. or oversize	

PRIMARY DRIVE, CLUTCH AND GEARBOX, REAR CHAIN + PARTS	
Motor drive shaft sprocket, 40071, used	
Primary chain, good quality Tsubaki	
Plug, oil filler and chain inspection hole, No. 40839	
Sliding shoe for chain adjustment	
Lever for shoe, chain adjustment	
"Greer 2000" fiber clutch plates, set of 9	
Clutch plates, steel, set of 6	
Studs, clutch drum (a set is 6 of these), each	
Clutch springs, set of 12	
Clutch release bearing, metric	
Clutch release Worm 3,125" long, No. 43441	
Lever on Release Worm, chromed, No. 23B80	
Clutch Rod, chromed	
Nut, clutch release worm, in primary cover, No. 43442	
Countershaft gear with shaft	
Bushing in countershaft gear	
Counter shaft	
Bushing, countershaft, right hand side, plain, No. 22B41	
Bushing, countershaft, left hand side, stepped, No. 22B42	
Mainshaft	
Thrust washers, mainshaft, specify thickness	
Slider gear	
Locknut for bearing with modern seal	
Driver gear (3rd gear)	
Lever on gearbox	

Chain sprocket, 14T (original) 15 or 16T (touring)	
Rear chain wheel, 36 teeth (or 40 teeth for Sport Scout)	
Rear chain	
Screw for chain adjusting, No. 45003.	
Plate for chain adjustment, No. A17350	
Ring nut on rear chain wheel, No. A25230	
Ring nut on rear chain wheel, -this is the thick one as on Sport Scouts, with lock screw	

SCREWS, BOLTS AND NUTS	
Cylinder head bolt, zinc plated	
Washer for above, as original, zinc plated	
Cylinder base nut	
Nut for engine mounting bolts	
Nut, crankpin	
Locking ring for crankpin nut	
Nut for drive shaft (inside or outside) and pinion shaft	
Nut, front chain sprocket, screws onto driver gear	
Nut on clutch sprocket, rear side	
Nut on gearbox mainshaft, clutch side, LH thread	
Nut on gearbox mainshaft, drive side, on right end	
Screw-set for cam cover	
Screw-set for oil pump	
Bolt-set for primary cover	

GASKETS	
Engine gasket set, all except head gaskets	
Head gaskets, copper/asbestos, pair	
Head gaskets, full copper, pair	
Cylinder base gaskets, each	

KICKSTARTER	
Kickstarter complete with pedal	
Pedal, rubber covered	
Kicker Pedal, steel	
Pedal pin, 39423, chromed	
Gear, original used, or new. 28T	
Ratchet piece, releasing the gear	
Tooth piece to repair kick starter (weld on)	
Spring on gear	
Return spring for kick starter	

CARBURETOR AND TANKS	
Float, brass	
Float, Cork	
Float, modern plastic	
Manifold gasket	
Nut on manifold, chromed	

Sealing ring, manifold	
Screws, manifold to carburetor	
Float bowl	
Nut, the big one under the float bowl, 102424	
Plug, bowl cover, 102425	
Low speed needle, knurled knob, 102620	
High speed needle, knurled knob, 102619	
Venturi, 500 cc	
Venturi, 600 cc	
Venturi, 750 cc	
Nozzle, 500 cc to 750 cc	
Choke shaft	
Stop, choke shaft, 102443	
Cam, choke shaft, 102440	
Choke disc	
Throttle disc	
Nozzle	
Throttle shaft, 102614	
Lever on throttle shaft, with screws, 102432, with screws	
Control wire clamp, complete, 45003	
Bushes for throttle shaft, set of 2	
Airfilter, Teardrop, "INDIAN" script, alu, with mesh	
Air Elbow, Army style	
Air Filter, center screw	
Airfilter, Army type	
Air cleaner bracket, 76275	
Air cleaner to elbow hose, 43883	
Hose clamp, 43884 each	
Petcock, modified, leakproof, with filter	
Petrol line, short, for use with filter	
Petrol line, long, use without filter	
Petrol filter, as original, complete with both elbows	
Elbow, petrol line to filter, 418001	
Elbow, filter to carburator, 437001	
Filter unit, inside petrol filter, modern system, set	
Tanks, new reproduction, both halves	
Tank cap, gas	
Tank cap, "OIL"	
Decals for tanks, Indian headdress, gold or multi-colored with red face, set	
Brown, multi-colored, 1930's, stickers	
Gaskets, tank caps	
Felt ring, to absorb overflow	
IGNITION PARTS	
Distributor cap	
Distributor, Tag and Rivets	
Coil, 6 Volt or 12 Volt	

Rain bonnet for distributor	
Clip, distributor, each	
Terminal screw for wire, complete	
Condenser	
Rotor	
Points	
Breaker cam and shaft, No. 101562	
Bushing, distr. Shaft, each	
Distributor upper sleeve, 41373	
Gear, distributor drive, No. 101030	
Bracket, angled, for breaker point screw	
Clamp, long, at distributor, chromed, No. 102972	
Clamp, distributor, fixed on oil pump, chromed, No. 100622	
Control wire clamp, complete, 40393	
Cup, distributor grease, chromed	
Nipple, distributor grease, chromed	
Battery box, "Fillrite", world's best	
Battery clamp, original shape, chromed	
Base plate for battery	

GENERATOR	
Generator with regulator, with special sprocket, 6 or 12 Volt	
Armature, new, 12 Volt	
Field coils, 6 Volt, set	
Field coils, 12 Volt, set	
Regulator, "AUTOLITE", electronic	
Chain	
Sprocket, generator	
Sprocket, generator, made for Bosch, 1 tooth less	
Band, 102975, with tag	
Tag, generator	
Spacer, Chain adjusting, No.44451	
Bracket	
Back plate for generator chain guard, No. 43806	
Generator chain cover, No. 43885	

LIGHTS AND ELECTRICAL PARTS	
Front fender light, "INDIAN FACE", as on civilian Chief	
Headlight ring, chromed	
Headlight complete, with Junction Block	
Headlight shell, "MOTOLAMP", primer	
Headlight shell, "MOTOLAMP", chrome	
Junction block and frame, for motolamp	
Reflector with Motolamp Glas, with Bilux Bulb, 6 Volt or 12 Volt	
Horn switch	
Dimmer switch, chromed	
Horn, with face, 6 Volt or 12 Volt	
Horn cover, "INDIAN FACE" as original, 3mm smaller	

Instrument panel, primed or chromed	
Main switch with keys, repro, chromed	
Brake switch, replacement	
Ampmeter	
Wiring harness, top quality, cloth covered, different colors	

SPEEDO AND SPEEDO DRIVE	
Speedo, as original, KM counter, 100 M/s face	
Speedo drive, chromed, complete with gear	
Gear on speedo drive (-of all speedo drive parts)	
Gear, big, fits in brake drum	
Speedo cable, with original fittings	

HANDLEBARS AND PARTS	
Handlebar, 11 cm higher - easier turning	
Mirror, original style	
Mirror, complete with clamp, chromed	
Rubber grips, set	
Hand brake lever, chromed	
Hand brake cable	
Nut for handlebar sleeves, chromed, each	
Threaded ring on handlebar, bare steel	
Sleeve (steel grip), left or right, each	
Block and pin, control wire, each	
Stop, holds control wire outer, No. 24B25, each	
Control outer, with wire, each	
Clamp for control wire, w/clamp and cotter pin, No. 40393	

FORKS	
Fork Bracket, upper	
Fork Bracket, lower	
Damper disc, steel, chromed, each	
Damper disc, fibre, each	
Side stud, No. 41906	
Wing nut, chromed, each	
Damper plate, black, fork side - civilian Scouts	
Bushes, bronze (8 are used for a set of forks), each	
Shackle bolt, upper (2 are used for a set of forks), No. 43765, each	
Shackle bolt, lower-rear, No. 44447	
Shackle bolt, lower front, No. 44446	
Fork shackle, upper, each	
Fork shackle, lower, left or right	
Fork spring, bare steel	
Bearing, upper, complete with balls	
Bearing lower	
Steering damper rod	

WHEELS AND BRAKES	
--------------------------	--

Rim, bare steel, new repro	
Spokes, bare steel, with nipples, set for one wheel, with chromed Nipples	
Center axle, front, with 2 castle nuts	
Center axle, rear, with nut	
Fishtail washer for chain adjustment, No. A17350, each	
Bearing, tapered, as original, each	
Felt washer, each	
Retainer for felt washer, each	
Hollow axle, front	
Hollow axle, front, complete with all nuts and lockwasher	
Hollow axle, rear	
Hollow axle, rear, complete with all nuts and lockwasher	
Hub, front	
Hub, front, complete with drum	
Hub, rear	
Hub, rear, complete with drum	
Brake cam, front or rear	
Brake drum, front or rear	
Brake shoes, complete with linings, set of 2	
Springs, for brake shoes, each	
Brake rod , front or rear , zinc plated or chromed, each	
Brake lever, on brake cross shaft	
Brake Cross Shaft	
Brake lever, at front wheel, chromed	
Brake lever, at rear wheel, chromed	
Rear brake arm anchor clip, 44349, chromed	
Brake Plate, front	
Brake Plate, rear, new repro	

MISC. BOLT-ON PARTS	
Grease zerk, straight	
Grease zerk, angled	
Instrument panel, chromed or primered	
Taillight bracket, primered	
Chain guard, steel, 2-piece	
Tool box, with lock and rubber gasket	
Tool box rubber gasket	
Seat pan	
Seat bracket, No 86309	
Seat springs, bare steel, pair	
Side stand, complete, ready to fit	
Bracket for rear support of saddle, 76228	
Rear stand, with bushing and springs	
Latch for rear stand, powder coated black	
Exhaust pipes, bare steel, has to be fitted to bike and welding finished	
Clamp, exhaust pipes / silencer, generic	
Muffler, tin plated	
Muffler, chromed	

Clutch pedal, bare steel	
Clutch rod, chromed or tin plated	
Brake pedal, with bushing	
Lever on brake cross shaft	
Brake rod, chromed or tin plated, front or rear, each	
Clevis for rod	
Gear shift rod, above gearbox, with both ball joints	
Gear shift hand lever, chromed	
Gearshift knob with "INDIAN" insert, silver	
Hand lever rod lever, chromed, a little stronger built, 43826	
Footboards, rubber covered, pair	
Footboard cleats, each	
Footrests, for rear passenger, fixed to frame holes, set	
Rod for footboards, front, 43819	
Rod for footboards, rear, 43820	
Side rail assembly for footboard, left, 76105	
Side rail assembly for footboard, right, 76104	
Fender, front, new repro	
Fender, rear, new repro	
Fender rods, various, each	
Brake/clutch pedal rubber set, 3 piece	
Saddle bags, brown strong leather, almost as original, slightly bigger, with fixing rails	
Saddle bag shields, set	
Fixing rails for saddle bags, set of 2	
Crashbars, with clamp, bare steel	

TOOLS	
Spanner for clutch sprocket nut	
Pinion Gear Puller	
Pliers for valve covers, in box, like original	
Araldite, 2-component glue, big tubes	
Lock for Motorcycle	

Many more small parts in stock! Please contact us!
